## HOW DO WE DO GOOD IN OUR COMMUNITY?

Together with agencies, donors, businesses, volunteers, and the public sector, we make connections that help every person in our community. We invest in programs and partnerships that tackle big issues in our community - like student success, affordable healthcare services, homelessness, and independence.

With your help, we can **do good** in our community and create long-lasting impact for generations. Your investment means a network of care is there to help children, families, and senior citizens when they need it most. Give today. Be a **do gooder**.

## 6 POWERFUL REASONS TO GIVE. ONE EMPOWERING OUTCOME: A STRONGER COMMUNITY

- ✓ **We're local** and invest in programs right here in our community.
- ✓ **You make the decisions** - volunteers like you examine community needs and decide on effective ways to tackle them.
- ✓ **We're accountable** and adhere to strict governance practices which include volunteer oversight.
- ✓ **Your gift goes further** by combining with other donors, matching grants, corporate, and in-kind gifts.
- ✓ **We collaborate** with agency partners to most effectively improve outcomes and make long-lasting change.
- ✓ **We are responsive to needs in our community.** When our community faces disaster, we play a key role in helping our neighbors recover and rebuild.
