

2019 ANNUAL REPORT

2019

2019 WAS A YEAR OF STRENGTH AND COMMUNITY COLLABORATION.

Dear Friends,

During 2019, the United Way of Abilene, its partners, and volunteers fought hard for the families of the Big Country. We tackled complex problems that seemed impossible to solve, and we united around our neighbors in need.

The board members of United Way of Abilene and United Way Foundation of Abilene are passionate about our community and addressing the needs of today and our tomorrows. Our mission is to seek ways to create positive, lasting change for all because we are connected and interdependent on each other. We all win when a child succeeds in school, when families are financially stable, and when people are healthy!

A major challenge for many of our families was recovery from the May 18th tornado. The EF-2 tornado damaged 416 homes and businesses. Our community responded in a way that reflects our deep care for each other! Together, United Way of Abilene and Community Foundation of Abilene created AbileneRelief.org as a single giving platform to help the most people affected by the tornado. More than \$500,000 was raised, and thus far more than \$400,000 in relief has been distributed to 328 families.

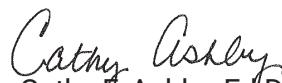

Your United Way helped individual families with food, clothing, short-term shelter, relocation, home repairs, auto repairs, medical bills, and transportation needs. Two homes were a total loss, and we stood alongside those families as their homes were demolished. We also celebrated a new chapter with one of these families in their new home on S. 6th Street. We are watching with excitement as another new home is being constructed today on S. 2nd Street for the second family.

We sincerely thank all of you - the members of the United Way of Abilene - for your gifts of time, talent, and treasure. We are grateful that we have talented people who are willing to serve our community. You have earned our heartfelt thank you.

Sincerely,

Justin Crowe
Board Chairman

POSITIVELY IMPACTING OUR COMMUNITY

When our community is in need, United Way of Abilene is able to collaborate with businesses, volunteers, and non-profit agencies to create a positive impact.

TORNADO RELIEF

On May 18, 2019, a tornado devastated families and neighborhoods in Abilene. United Way of Abilene quickly responded and activated the Big Country Voluntary Organizations Active in Disaster (VOAD) to provide support and relief for families in need. Big Country VOAD assists residents of West Central Texas in planning, training, and preparing for future disasters.

A total of 416 homes and businesses were damaged in the tornado, and 54 homes sustained major damage or were destroyed. United Way and VOAD agencies established a base for families in need at the Pioneer Drive Baptist Church. There, families received meals, grocery gift cards, cleaning supplies, and support. Over the coming weeks and months, VOAD agencies and United Way collaborated to repair and rebuild homes, pay insurance deductibles, and ensure families had safe housing.

United Way and the Community Foundation of Abilene joined forces in a unified effort to raise and distribute funds to meet both immediate and long-term needs. Together, more than \$500,000 was raised for recovery and relief efforts. More than half of the fund was distributed in the weeks following the tornado for essential, immediate needs. The remaining funds continue to be used for long-term building projects.

WINTER LIGHTFEST

United Way of Abilene debuted the organization's signature event in 2019. Winter Lightfest increases awareness of United Way, raises money for community investments, and creates a family-friendly attraction for Abilene.

What began years ago as a wish of Matt Robinson, an owner of Christmas Decor by Lone Star Electric, became a very bright reality for United Way of Abilene in 2019. Winter Lightfest, a 3/4 mile walking trail of Christmas lights and holiday features took shape after months of planning and preparation in Centennial Park. The park was open for 19 nights in its inaugural year. The sights and sounds of the season were spectacular, and families walked away with a new holiday tradition.

Winter Lightfest would not have been possible without the generous support of individuals and businesses in the community who sponsored the event. This generosity allowed every elementary student in Taylor County to receive a free Winter Lightfest ticket. Learn more about Winter Lightfest at winterlightfest.com.
